

The Architecture Practice Of the XXI Century Challenge

Master in Architectural Management & Design

This challenge is geared for those candidates interested in IE's Master in Architectural Management & Design. It is an excellent opportunity to test your strategic view on the development of today's Architectural practice. The winner will be awarded a scholarship of up to € 11.500, applicable towards the tuition fees for the master program.

The entry requirements are as follows:

- 1. Submit your full application** for the admissions process of the master program. To access the admissions form please click [here](#)
- 2. One essay of 500 words on:** How have the technological advances of the last 30 years impacted the structure of architecture practices from an organizational standpoint, and what impact this has had on design trends and on the innovation of future architecture practices?

Send your application in PDF format with a maximum size of 150kb by the 1st of January, 2011 to: admissions.architecture@ie.edu

All projects should be submitted along with the following information: name, address, telephone, E-mail, date of birth, nationality and anonymity code*. Should you have any questions please do not hesitate to contact us at the same address.

**Can you forecast what the future practice will be like?
Test your skills and join the challenge!**
